

GARSTON
Wellness plans

Introduction to the cat plan

The Garston Veterinary Group Cat Wellness Plan includes the following:

Routine Annual vaccinations

Discounts on any additional vaccination required for foreign travel.

Worming medication as recommended by the BSAVA for the protection of both your pet and your family

Flea treatment to provide year round protection against most problem parasites

Discount vouchers for neutering, dental treatment, and other special offers

Three consultations with a practice nurse to help you to give your pet all it needs to ensure a healthy and active lifestyle.

Discount vouchers off our range of pet foods including Royal Canin - as well as monitoring your pet's weight and condition.

Priority invitations to our Practice client meetings

Regular predictable budget payments by Direct Debit

Monthly payment of £9.70 which equates to just 32p per day

Terms and Conditions

All Garston Veterinary Group Wellness Plans are covered by our standard terms of business. We cannot advertise Prescription Only Medicines but all medicines we use are carefully prescribed after examination of your pet. Acceptance of membership onto the plan is dependent on completion of the Direct Debit authorisation. Garston Veterinary Group is licensed under the Consumer Credit Act 1974
